Academic Details			
Year	Degree	Institute	CGPA/Marks(%)
2026	B.Tech	Aditya Engineering College	9.12%
2022	XII (Board of Intermediate Education,Andhra Pradesh)	Sri Chaitanya Junior College	96.3%
2020	X (Board of Secondary Education,Andhra Pradesh)	Sri Chaitanya Techno School	9.5%

Skills

Programming Languages : Proficiency in SQL,C,C++,JAVA(Basics),Artificial intelligence and machine learning.

Web Technologies : HTML, CSS, JavaScript.

Developer Tools : Github, VS Code,MySQL, Jupyter, Google Colab.

Internships

Full Stack Web Development – DevTown

C++ - Codsoft

Ms Technologies -AIML

Projects

Zomato Landing Clone Page:

Jul 2024

Developed using HTML,CSS,Javascript.

- A replica of the zomato landing page designed to showcase my proficiency in Front-end development.
- This project involved replicating the layout and styling of the original zomato landing page.
- This allows users to quickly find the places they are interested in without needing to browse through many options.
- User’s can search for nearby restaurants based on location or restaurant name.

Portofolio website :

Dec 2023

- Develop a personal portofolio website using HTML,CSS,JavaScript and React.JS to showcase academic achievements, technical skills, and project work.
- The site features a clean and responsive design with interactive sections such as Home, About Me, Projects, and Contact. Integrated modular React components for maintainability and used modern styling techniques to enhance user experience.

Sep 2023

Student Database Management System:

- Developed a Student Database Management System using SQL to manage and track student information for academic institutions.
- The system supports various operations such as adding, updating, deleting, and querying student data.
- Created tables to store student data such as name, roll number, age, address, contact details, courses enrolled, and grades.

Certificates

Full Stack Web Development – DevTown

SQL – Simple learn

Web Development – IBM

C++ - codsoft

Advanced Cpp - IIT Bombay

C – IIT Bombay

Achievements

Achieved **1st** rank in third semester and achieved **2nd** rank in second semester.

HackerRank:

- Achieved a **5-Star Rating** in Problem Solving using **C, Java, and SQL**.

CodeChef:

- Earned **Gold and Silver Badges** in Problem Solving, showcasing proficiency in competitive coding and algorithmic problem-solving.
